Do you feel confused by the revolutionary cultural ideas of the radical left? How do you respond to WOKE, Political Correctness, Cancel Culture, LGBTQ, Black Lives Matter, and social justice? Do you feel like a deer caught in the headlights? What does the Bible say about those subjects? If you need help with those topics, KMBC has just the conference for you! KMBC is hosting a powerful pastors and youth conference to equip you with relevant Biblical answers. We are bringing in three cutting edge speakers to address these hot topics. We want to put tools in your hands to equip you to be an effective witness in these chaotic times. Be sure to mark your calendars for this year's pastor and Christian leadership conference: Navigating Cultural Chaos!
